Food choices:

**Spring Season (mid April-late May)**

- Spring Share: Six weeks of early veggies  
*Sorry, these are sold out...* \$150/season

**Regular Season (late May-mid October)**

- Grand Share: This is our FULL box for *BIG* veggie eaters! It is also good if you want to preserve some of the season's bounty, or share with a friend.  
\$600/season

- Standard Share: 1/2-2/3 size of full share. This is a popular choice among many of our member families.  
\$400/season\*

- Every other Week: Standard size for every other week delivery  
\$250/season

- Top Ten Box: Standard size, every week, only the "favorite" veggies!  
\$400/season\*

**Winter Season (October-December)**

- Full length Winter Share: Three pick ups of storage food (Oct, Nov, Dec) \$250
- Short Winter Share: First two pick ups (Oct, Nov) \$125

*Note: Winter shares can be paid for now, or in September, but please indicate your interest now so that your food is planted accordingly!*

*\*This is our standard price. We would like to try an experiment with you about pricing. For some of you it is a stretch to pay for local, healthy food at a price that pays us a living wage. For others, this price is not a problem. Therefore we extend to you the option of paying as little as \$350, and as much as \$450 for your standard share based on your assessment of your ability to pay, balanced with your understanding of our right to a fair wage.*

Important other choices:

- I am interested in the Partner Shares Program, a project of Madison Area Community Supported Agriculture Coalition, which would allow me to pay half the cost of my share based on low income or special need status. To find out more about this program contact MACSAC at 608-226-0300.

- I would like to make a donation to MACSAC's Partner Shares Program to help low income families receive CSA shares \$\_\_\_\_\_
